

Update

Amalgamation of EDR Services

Sydney EDR operational staff are being relocated to Parramatta from 6 March 2006. The Sydney City staff will be joining our Parramatta team to create an EDR Operational team responsible for the provision of EDR services to all Sydney metropolitan EDR clients.

The centralised EDR Operational team will provide improved support services for all Sydney based EDR clients.

We will be visiting all Sydney clients during the next twelve months. During these visits we will review a cross section of the work processed by your firm on EDR, update you on any EDR / OSR initiatives and answer any questions you may have.

We believe that it is vitally important to ensure that all EDR clients have adequate training and support. Currently this service is provided to all EDR clients upon request at a time suitable to both parties.

Sydney metropolitan EDR clients requiring training and support should contact:

Paul Taylor,
Manager EDR Operations
Phone: 9689 6806
Email: paul.taylor@osr.nsw.gov.au

Centralisation of EDR Refunds

OSR will be centralising the processing of all EDR refund applications at our Parramatta Office effective 6 March 2006. To avoid processing delays EDR clients should direct all refund applications to:

Office of State Revenue
EDR Operations Unit
GPO Box 4042
Sydney, NSW 2001

All OSR refund application forms detail the evidence that must be lodged with your refund application. If you fail to provide this evidence then your documents will be returned unprocessed.

Vendor Duty Accountable Stamps

The EDR Update 5 issued in September 2005 outlined a number of requirements EDR clients needed to be aware of with the abolition of Vendor Duty. EDR clients are reminded that they need to return their Vendor Duty Endorsed stamp to OSR.

If you still have a Vendor Duty Endorsed stamp could you please return it to:
